

ESSENTIAL PROGRAM

Employers can gain control over their healthcare expenses and lower their costs now and for years to come. Choosing a self-funded plan that works for their business will allow more flexibility to build a plan that benefits their employees. Below are some of the highlights of our Essential Program.

Minimum Essential Coverage Plan

Under the FreedomCare Essential Program, all eligible employees are enrolled into a Minimum Essential Coverage (MEC) Plan that provides preventative health and wellness benefits. Employees will receive access to a discount prescription program that guarantees the lowest price for prescriptions and diabetic supplies. Benefit highlights of the Minimum Essential Coverage include:

- Diabetes Screening
- Immunizations
- Depression Screening
- STI Counseling
- Contraception
- Heart Disease Prevention
- Colon Cancer Screening
- Skin Cancer Counseling
- Breastfeeding Counseling
- Breast Cancer Screening
- Autism Screening
- Dental Cavities Prevention
- Iron Supplementation
- Blood Pressure Screening
- Tobacco Use Interventions

Full Service Administration Services

FreedomCare has made the process of self-insuring effortless. Employers are walked through the process step by step by their Account Coordinator with no lengthy applications needed for enrollment. Our experienced team has assembled everything employers need for their enrollment process, plan management and claims.
