

Great News for Brokers wanting a new income source with NO paperwork, NO personal involvement, that opens up an untapped national market...Dental For Everyone!

You can now create your own customized online individual dental and vision portal for folks to shop and purchase individual discount, DMO, PPO or Traditional dental plans online at the click of a button!

Your clients (plus their friends and families across the country) now have access to your own online dental and vision shopping "mall". Just like ordering a hotel room on Orbitz.com, you can now become the Orbitz.com for Individual Dental and Vision products!

We have attached more information on this great new opportunity to this email. It includes:

1. PDF flyer (For Broker's use only) with more information on how this works. It includes an embedded link (front page-lower left corner) to our online dental demonstration. Try it out! You'll love how easy it is to use! <http://www.dfeinfo.com/cheltenhambenefits>

2. Not appointed with us yet? Click on the Appointment link below the demo demonstration icon and get started!

3. Want more information? We've also included our Individual Rater Enrollment System Overview PPTX. It will walk you through the entire process a buyer would see online.

Commissions are 10% first year and 7% renewal with NO PAPERWORK!

Great for Associations, Unions, Churches, Large groups, Small Groups, PEO's and Staffing companies nationwide!

Call us for more information to launch your Online Dental and Vision Shopping Mall!
